I am going to be taking the MSF course next month. In the meantime been looking at a lot of bikes w/ advice from a couple of friend riders. I need something used, cheap, etc. for a first bike. I found a 2000 Aprilia Pegaso that I really like, "well maintained" 15k miles for \$2000. My questions are regarding reliability, getting parts (either myself or a service shop), and getting service.
