Movements of our time, providing the historical evidence that celebrates these movements as thoroughly Christian and faithful to the mission and message of Jesus.

A People's History of Christianity: The Other Side of the ...

A People's History of Christianity is not so much a "history" (either scholarly or general) as it is an argument for a return to the roots of Christianity that finds fault with both modern expressions of "liberal" and "conservative" religion. As Bass argues in her introduction, liberal theologians and

In A People's History of Christianity, historian and religion expert Diana Butler Bass reveals an alternate history that

Read Online A Peoples History Of Christianity Unknown Binding Diana Butler

Includes a deep social ethic and far-reaching inclusivity: "the other side of the story" is not a modern phenomenon, but has always been practiced within the church. Butler Bass persuasively argues that corrective - even subversive - beliefs and practices have always been hallmarks of Christianity and are necessary to nourish communities of faith.
