This is a pronunciation course for beginner and elementary students of English. It provides practice in the pronunciation of English soundss, word stress and intonation through a wide variety of interesting exercises and activities. The course is carefully graded both lexically and structurally to allow teachers to link the material with other course work. Suggested teaching methods as well as additional practice material can be found in the Teacher's Guide. The book is accompanied by a recording of all the practice material on two cassettes, which are designed for use both in class and by students working alone.
