If you own one of these fabulous cars then you know how fun it is to drive. And, you probably know that your MINI is packed with some of BMW's latest automotive technology. But if you want to maintain and repair your car yourself (or just want to understand what's going on under the bonnet), you'll be wanting the MINI Cooper, Cooper S 2002-2004 Service Manual by Bentley Publishers. This is the only comprehensive, single source of service information and specifications available for MINI models from 2002-2004. The aim throughout this manual has been simplicity, clarity and completeness, achieved through practical explanations, step-by-step procedures and accurate specifications. Whether you're a professional technician or a do-it-yourself MINI owner, this manual will help you understand, care for and repair your car. Bentley Publishers' new MINI service and repair manual is based on factory information, but is heavily supplemented by hands-on experience and illustrations. The service manual editorial team has disassembled and photographed several MINI models for this project in the Bentley Service Information Research Center.

What would you do if you suspect your best friend, who happens to be a giant egg, was killed but everyone else thinks it was an accident? Humpty Dumpty Was Pushed, a collection of twenty-two short fairy tale-like stories, tackles that question and many more. In this collection's title story, Chicken Little is certain his friend did not fall from the ledge, and he intends to prove there is a conspiracy. Will he discover the truth before it's too late? Filled with interesting and delightful characters, these short stories ask questions not raised before. Can a reverse vampire find true love? Can the World Nose Hair champion really make the world a better place? Is it ever wise to stick cheese noodles in your nose? Can one live their life squeezing other people's ears in peace? If a whale and a tiger had a fight who would win? Incorporating familiar characters in children's literature and folklore, Humpty Dumpty Was Pushed tells a series of tales with surprises to keep you guessing. Each story asks a different question, and each story offers a different, strange answer.

SPECIAL NOTE! -- ANNE WILL PERSONALLY ANSWER ANY QUESTION OF YOURS AFTER READING THIS BOOK. ASK ON HER WEB SITE, AND YOU'LL NORMALLY HEAR BACK WITHIN HOURS! Do you love the feel of milk soaps but shy away from the cost? Are you looking for a special kind of gift you can make yourself? Or do you already make soap and want to try something new? Anne L. Watson's "Smart Soapmaking" was the first book based on modern techniques that eliminate the drudgery and guesswork from home soapmaking. Now, by popular demand, she continues her soapmaking revolution with the first practical, comprehensive book on making milk soap from scratch. Experience the rich, soothing, luxurious feel of milk soap you've made yourself. Your skin will thank you for it. //////////////// Anne L. Watson is the first author to have introduced modern techniques of home soapmaking and lotionmaking to book readers. She has made soap under the company name Soap Tree, and before her retirement from professional life, she was a historic preservation architecture consultant. Anne and her husband, Aaron Shepard, live in Friday Harbor, Washington. //////////////// "Beautiful in its simplicity. . . . A definitive book for experienced as well as beginning milk soapers." -- Rebekah Bailey, The Original Soap Dish, South Whitley, Indiana "An easy to read and understand book that will take the mystery out of milk-based soapmaking and debunk some of the myths surrounding it. It contains some great basic formulas to get you started making milk soaps of any kind, and fuel to let your imagination run wild when you are ready to formulate your own creations. A good source of information for new soapmakers, and also suitable for more experienced soapmakers who want to start making milk soaps but thought it would be too difficult." -- Amanda Gullfoyle, Bodelicious Bath & Body Products, Ipswich, Queensland, Australia "As always, Anne is up to her usual excellence. This book demystifies milk soapmaking so everyone can have the luxury of a truly decadent bar of soap "easily". LOVE this book!!!" -- Susan Kennedy, Oregon Trail Soaps, Rogue River, Oregon "If you have an interest in milk soaps, this is the book for you. . . . Debunks much of the popular wisdom that may have discouraged some soapmakers." -- Kevin M. Dunn, Author, "Scientific Soapmaking" and "Caveman Chemistry" "As uber-soapmaker Anne L. Watson demonstrates, milk soaps made properly are [rightfully] well-known for a quality of luxurious buttery softness that is undeniable. . . . Anne once again acquits herself ably as a scholar of the suds and a natural communicator." -- Wishing Willow (blog) "Full of information that milk soapers, whether novice or experienced, could use to make better milk soaps. Anne writes in a conversational style that made me feel as though I were sitting down with her in her kitchen. . . . Anne details what seems to be everything there is to know about the subject. Rather than simply offering her opinions and favorite practices, Anne did extensive testing and experimenting, learning how to make the best milk soap bars that could be made. Soapmakers will be impressed with the amount and quality of Anne's research and observations. . . . That leaves the question: Can a neophyte made good cold-process milk soap? I now say yes, with the caveat they have 'Milk Soapmaking' in hand." -- Beth Byrne, "The Saponifier," Sept.-Oct. 2010

Masterful and macabre short fiction from the New York Times–bestselling author of Swan Song. Father John has lived his whole life without knowing a woman’s touch. Hard at first, his self-denial grew easier over time, as he learned to master his urges with a regimen of prayer, cold showers, and jigsaw puzzles. That changed the day that Debra Rocks entered his confessional. A rough-talking adult film actress, she has come to ask him to pray for a murdered costar. Her cinnamon perfume infects Father John, and after she departs he becomes obsessed. Around the corner from his church is a neon-lit alley of sin. He goes there hoping to save her life before he damns himself. That is “Blue World,” the novella that anchors this collection of chilling stories by Robert R. McCammon. Although monsters, demons, and murderers fill these pages, in McCammon’s world the most terrifying landscape of all is the barren wasteland of a lost man’s soul.

Brinkley’s American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

You know what happens when bad boys get what they wish for? Everything. . . . New York Times Bestselling Author Lori Foster Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There’s that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . . .admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won’t take no for an answer. She’s determined to have someone show her what she’s been missing, and suddenly, Axel can’t bear to think of Libby playing doctor with anyone else. . . . USA Today Bestselling Author Erin McCarthy The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he’s going to hell. When you rescue a drowning woman from a lake your first thought should be, “Are you okay?” not, “Can I make mad, passionate love to you?” But the minute sputtering kindergarten teacher Violet Caruthers is on Dylan’s boat, that’s all he can think about. Maybe it’s the potent combo of a nun’s personality inside a stripper’s body. Maybe it’s the way she drives him crazy with desire and laughter. Or maybe, Dylan’s finally found what’s been missing in his life, and he’s not about to let go. . . .

This volume focuses on major fiction, poetry and non-fiction from Latin America. Organized by title, it discusses 50 works through detailed essays.

They are the scum of the galaxy; the worst of the worst Ð criminal, killers, the lost, the angry, the desperate. They are the misfits and monsters of Alien Legion, the toughest rammers in the galaxy! And itÖs their job to put themselves in the line of fire, fight wars for those too weak or too scared to protect themselves. This time, the battle-hardened veterans of the Legion have been dispatched to the Harkilon system, where war has erupted. Their job: to keep the peace and protect the innocent Ð the great space convoys of civilian ships packed with civilians and refugees. But many of these erstwhile civilians are not what they seem. Some are smugglers and criminals using the civilians to disguise their nefarious activities, and they arenÖt constrained by rules of engagement that prevent them from using lethal force Ð unlike the Legionnaires. Very soon, a straightforward peacekeeping mission is a battle for survival for the members of Alien Legion!
