this complete guide to arranging for large horn sections! Now, for the first time, learn the same jazz ensemble arranging techniques taught by renowned Berklee College of Music faculty, and studied by the best and brightest arrangers working today. While the book focuses on classic big band and jazz styles, the core information about horn harmony and arranging can be used for any style, from hip-hop to ska. Arranging for Large Jazz Ensemble includes all the information you need when creating horn charts, fueling and inspiring you with the charts of esteemed Berklee professors Jeff Friedman, Ted Pease, Scott Free, Greg Hopkins and Bill Scism. The play-along CD includes more than 60 demo tracks and arrangements written in the style of masters such as Count Basie, Duke Ellington and Gil Evans, and performed by Berklee faculty. Covers: writing and voicing techniques; soli, background and shout choruses; special effects; creating your own style; and more.

(Berklee Guide). The definitive text used for the time-honored Chord Scales course at Berklee College of Music, this book concentrates on scoring for every possible ensemble combination and teaches performers and arrangers how to add color, character and sophistication to chord voicings. Topics covered include: selecting appropriate harmonic tensions, understanding jazz harmony, overcoming harmonic ambiguity, experimenting with unusual combinations and non-traditional alignments, and many more. The accompanying audio includes performance examples of several different arranging techniques.

This book examines arranging methods and their applications. It is designed to be used in a jazz studies program and as a professional reference manual for musicians. The text begins with a historical overview of jazz band instruments and a study of their characteristics. The body of the text includes an examination of relevant terminology, notational devices, principles of theory, and arranging techniques.
