Unlike other study guides that are stamped out in a generic fashion, our TEAS exam study guide are specifically tailored for your exact needs.

Ensuring students meet the competencies outlined in the Quad Council of Public Health Nursing Organizations (ACHNE, 2011) and AACN ' s (2008) publication Essentials of Baccalaureate Education for Professional Nursing Practice Community and Public Health Nursing, the 3rd Edition of Community & Public Health is a primer to community, public, and population health nursing that develops students ' abstract critical thinking skills and complex reasoning abilities through case studies, exercises, and examples throughout the highly illustrated text. Authors DeMarco & Healey-Walsh introduce public health concepts from an evidence-based perspective, allowing students to make connections between data and practice decisions. Because evidence-based practice guides quality performance improvements, the authors teach students to gather, assess, analyze, apply, and evaluate evidence— derived from epidemiology and other sources— for making public health practice decisions and for planning the care of individuals, families, and groups in the community. Examples assist students in interpreting and applying statistical data. The authors integrate timely topics (major challenges to nursing practice in the community, community and public health nursing specialties, cultural diversity, health disparities, globalism, epidemiology and basic biostatistics, and ethical considerations, Preventative immunizations, political proactiveness, advanced practice preparation, sustainable health goals, ebola, telehealth, opioid epidemic, veterans and LBGQ as a underserved populations, iPrepare, health literacy, health promotion conferences, and Healthy People 2020.) Special attention will be given to add additional features and ancillaries that allow students to actively learn. Healthy People 2020, and students will complete short active learning activities/questions will allow students apply the goals to real-life scenarios. NEW to this edition ' s ancillary package are unfolding case studies related to our new clinical replacement solution Lippincott Clinical Experiences: Community, Public, and Population Health. Our PowerPoints have been enhanced and are now heavily illustrated.

Uniquely organized around the AONE competencies, this trusted resource gives you an easy-to-understand, in-depth look at today ' s most prevalent nursing leadership and management topics.
