The small town of Delphi, Colorado wasn't like most towns. New people were always coming and going, there were large numbers of animal attacks in the surrounding woods, and a suspiciously high rate of missing persons. This was the town where seventeen-year old Eden Day had lived her entire life. Eden and her three best friends, Mel, Wes, and Jasmine love to hang out, eat junk food, watch too much television and dream about someday leaving Delphi to see the world. That was until the dark rainy night when Eden was walking home alone in the woods and was attacked by a vampire. Bleeding and broken she crawled into an old abandoned church...where she died. Miraculously coming back to life, she senses something within her is changing. Is she still human? Is she becoming a vampire? Something that would be terribly inconvenient considering she's a vegetarian. In her quest to discover what is happening to her, Eden meets Oswald Chang, a genius computer geek with extensive knowledge of the Supernatural. Through him she learns of the secrets behind her town and her newfound connections to them. As the vampire attacks increase, Eden must learn to embrace what she is becoming in order to protect all that she holds close. If she can do this while still passing English and avoiding the irresistibly charming, but equally infuriating new boy in town Eden just might have a chance of surviving till her graduation.

By emphasizing five key principles, this text teaches students how to think like economists, demonstrating how to use economic concepts in everyday life. Both micro and macro economics are covered in this volume.

Is God a wrathful judge? A gentle healer? A father? Brother? Friend? In *The Relentless Tenderness of Jesus*, Brennan Manning brings you to a deeper understanding of the true nature of God. Through poignant and unforgettable stories and challenging observations, Manning helps you stretch your mind and reject simplistic explanations of who God really is. With rich insights you'll see how God can at once be a roaring lion, pacing the globe and seeking you out; and simultaneously a tender lamb, there to comfort you in any time of need. A unique experience, this book will forever change the way you think about God.

Marissa Fleming isn't ready for motherhood. She's a sophomore in college when an unplanned pregnancy changes everything. Her boyfriend isn't interested in fatherhood, abortion is out of the question, and she can't bring herself to tell her parents or friends. Not knowing what to do, she does nothing until she gives birth in her dorm. Then there's another problem...what to do with the baby? Libby Armstrong is sad and lonely, with no direction in life, until one cold November morning in 1980 she notices an athletic bag next to the grocery cart corral. Inside, she discovers an abandoned newborn boy. She knows she should turn him in but refuses to condemn him to the foster care system. She decides to keep him, telling everyone he is hers, that she didn't know she was pregnant. Lie upon lie. But Baby David is worth it. His presence gives Libby the joy she'd been missing. But Marissa can't get her baby out of her head. She's obsessed with finding him. When her path crosses Libby's, Marissa steals him and runs. But is she prepared for what it takes to provide for herself and the child? Can Libby find peace with the hole in her heart from the loss of David?
