Solid financial information and the ability to use that information successfully in business today differentiate the truly exceptional from the ordinary. Now you can guide your students in developing the understanding and skills to make them true winners in business with the proven, balanced blend of procedure and concepts in the latest edition of Albrecht/Stice/Stice's FINANCIAL ACCOUNTING. Organized around business activities, FINANCIAL ACCOUNTING, 10th Edition presents the procedural detail necessary for students to learn the mechanics of preparing accounting information, with an emphasis on how to analyze and use what they are learning to make informed decisions. This edition's lively writing style, packed with a wealth of examples from leading companies, helps students discover, first-hand, the effects and importance of financial accounting information. Designed to address a diversity of learning styles and career needs, the book offers expanded coverage as well as basic material in each chapter--giving you the flexibility to explore in-depth any topics you choose. Streamlined chapters build a strong, practical context around the procedures of accounting with powerful student-oriented learning features and a new, innovative online ThomsonNOW  teaching and learning system that helps prepare your students for accounting success, no matter what their career choices or future plans.

Every job requires you to prepare, use, respond to, or be evaluated using accounting data. Understanding what accounting is, why it's important, and how to effectively use and prepare accounting data will give you a competitive edge in any organization. The focus of ACCOUNTING: CONCEPTS & APPLICATIONS, 11E is on developing the ability to critically analyze accounting information and make informed business decisions. Readers are exposed to a myriad of real-world examples where they can see the effect that accounting information has on the decisions made by real companies. The text also makes a concerted effort to highlight the ethical considerations and global implications of financial accounting decisions in our world.

Never HIGHLIGHT a Book Again! Virtually all of the testable terms, concepts, persons, places, and events from the textbook are included. Cram101 Just the FACTS101 studyguides give all of the outlines, highlights, notes, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Accompanys: 9780324645576 9780324648324 .

Reductions in police department funding have raised the importance of volunteers in enhancing organizational performance, improving community trust and confidence, and at times accomplishing basic tasks to maintain public safety and security. During a period when police administrators are asked to do more with less, and to engage in smarter, community-oriented policing, citizen volunteers are an invaluable resource. Police Reserves and Volunteers is an invaluable primer for those looking to understand the benefits and challenges involved in the use of the volunteers within global law enforcement agencies. Using cases from a range of specialists and precincts, this edited volume provides a rare window into police administration from the state legislation that regulates police reserves in California to the local models observed in many counties and cities across the United States. Police Reserves and Volunteers offers volunteers, local elected officials, and law enforcement straightforward guidelines to enhance police goals and build public trust in local communities.

Library work is really all about people. And the inclusive, welcoming nature of the library means that all kinds of people pass through its doors. Not all difficult patrons are dangerous, but some frighten staff and other library users, which can lead to situations that are distracting, troubling, and fraught with liability. For more than a decade, Albrecht, a 15-year police veteran, has presented workshops for libraries on dealing with challenging patrons. His no-nonsense advice will empower library staff in their personal security and give them the tools to confidently communicate with their colleagues, patrons, and members of law enforcement regarding inappropriate behavior. In this book he addresses security issues important to all libraries, including Specific guidance for common situations, such as unruly teens, unwanted sexual advances, chronically homeless substance abusers, and moreThe elements of an effective Code of Conduct and how to enforce itTips on how to manage internet usage to minimize potential problemsHow to align with patrons and use language that defuses the conflictForming partnerships with service organizations, homeless shelters, mental health advocacy groups, and other community resourcesHow to know when it 's time to call the police, plus ideas for increasing law enforcement supportWays to make the library more secure through changes to facilitiesThrough the methods outlined in this book, Albrecht demonstrates that effective communication not only makes library users feel more comfortable but also increases staff morale, ensuring the library is place where everyone feels welcome.

Help your students understand the growing significance of fraud in today's accounting world as the latest edition of this engaging text teaches how to identify, detect, investigate, and prevent financial fraud. FRAUD EXAMINATION 4E closely examines the nature of fraud using memorable business examples and captivating actual fraud including recent developments in e-business fraud. Students explore how technology is increasingly involved in fraud and how it can be used to detect fraud as well as what the legal options are for victims of fraud. Significant new discussion of forensic analysis expands students' understanding of the field, while a fresh, clean design increases readability and student appeal. New learning features and strong end-of-chapter exercises draw attention to the most important information and drive critical thinking. Knapp ' s CONTEMPORARY AUDITING, 11E prepares readers for the challenging responsibilities faced in the public accounting profession. This casebook stresses the people aspect of independent audits. Readers learn how to avoid audit failures most often due to client personnel who intentionally subvert an audit or auditors who fail to carry out their responsibilities. A detailed review of problem audits helps readers recognize the red flags common to failed audits. Discussing and dissecting these challenges prepares readers to handle potential problematic situations in their own professional careers. Readers also acquire a higher-level understanding of auditing standards, ethical principles, audit procedures, and other issues related to independent auditing. By studying these topics in a real-world context, readers achieve a more in-depth, intuitive comprehension of auditing fundamentals, which translates into improved performance on the CPA exam and other professional examinations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
