CFM56 engine and we analyse some of the MRO trends affecting the engine type . Our report highlights some interesting trends, for instance, we follow a change in policy by CFM saying its service licenses and warranties do not discriminate against the use of so-called PMA parts or DER repairs in engines . This is actually an interesting development considering the use of the parts and repair ...

CFM56 overhaul - AviTrader Aviation News

We provide complete engine teardown for CFM56-3/7B. Test cell. In support of its engine overhaul facility, Ethiopian utilizes a fully equipped jet engine test stand and a two-cell modern turboprop engine test bed. The 100,000 lb thrust test cell - a capacity significantly above the current power level for wide-bodied aircraft - provides a safe environment in which to fully test overhauled ...
