Chester 5000 (Book 1) / Top Shelf Productions

Chester 5000 XYV is a story driven erotic comic set in the Victorian era. It contrasts with the common standard in that it doesn't use those unnecessary, superfluous things they call words. The story is told solely by the ink-washed images (with the exception of some sound effects), and the names of the characters are unknown (with the exception of Chester). It's also explicitly sexual, not ...
