Career success guide for female engineers.

Provides insightful advice and essential tips for career changers. This guide explores jobs in travel and transportation, with self-assessment questions, further resources, and advice on ways to reach career goals.

Civil engineers, mechanical engineers, structural engineers, marine engineers, chemical engineers, systems engineers, and engineering support personnel have a lot in common when they want to create a resume, and this book shows resumes and cover letters of individuals who want to work in the field. For those who seek federal employment, there's a special section showing how to create federal resumes and government applications. Since many technical types aren't writers, this comes as a special gift: select a winning format, plug in your background specs, and away you go. It's that easy--with REAL RESUMES in hand. - The Midwest Book Review1-885288-42-5
