About DK Eyewitness Books: Music. Here is an original and exciting look at the fascinating world of sound and music. Superb real-life photographs of instruments ranging from zithers and panpipes to electric guitars and synthesizers offer a unique "eyewitness" view of ancient and contemporary music. See how strings vibrate to make a note sound, how aninvisible "column" of air sounds a pipe, which instrument resembles a peacock, how sousaphone players wear their instruments.

I already had the DK Eyewitness Guide to Opera so the format was familiar to me and I would recommend this book as an introduction to classical music. The book is well illustrated in full colour and divided into easily referenced sections. The copy arrived in good time in the condition stated by the vendor.
