bridges the gap between epic and modern fantasy. In this sprawling series fantasy isn't fiction, it's history, and begins with The Second Draeken War. 10,000 years later the mages of Lumineia have been forced into hiding and forgotten. In their absence the world has become known by another name.

Led by the mysterious Master, the Harbingers have infiltrated the highest levels of the mage government. They mean to reveal the mages to the world—and then conquer it. To that end they have stolen the Sword of Elseerian, and intend to open the portal to Draeken's vast army. But the fiends are gone.
