In Hippy, Paulo Coelho takes us back in time to re-live the dream of a generation that longed for peace and dared to challenge the established social order--authoritarian politics, conservative modes of behavior, excessive consumerism, and an unbalanced concentration of wealth and power. Following the "three days of peace and music" at Woodstock, the 1969 gathering in Bethel, New York that would change the world forever, hippie paradises began to emerge all around the world. In the Dam Square in Amsterdam, long-haired young people wearing vibrant clothes and burning incense could be found meditating, playing music, and discussing sexual liberation, the expansion of consciousness and the search for an inner truth. They were a generation refusing to live the robotic and unquestioning life that their parents had known. At this time,

Paulo is a young, skinny Brazilian with a goatee and long, flowing hair who wants to become a writer. He sets off on a journey in search of freedom and a deeper meaning for his life: first, with a girlfriend, on the famous "Death Train to Bolivia," then on to Peru and later hitchhiking through Chile and Argentina. His travels take him further, to the famous square in Amsterdam, where Paulo meets Karla. She convinces Paulo to join her on a trip to Nepal, aboard the Magic Bus that travels across Europe and Central Asia to Kathmandu. They embark on a journey in the company of fascinating fellow travelers, each of whom has a story to tell, and each of whom will undergo a transformation, changing their priorities and values, along the way. As they travel together, Paulo and Karla explore their own relationship, an awakening on every level that brings both of them to a choice and a decision that sets the

After being directed by a mysterious master to find his guardian angel, Paulo and his wife Chris begin an adventure in the Mojave Desert where they meet a variety of colorful characters and confront Paulo's personal demons. \$25,000 ad/promo.

In the ninth century b.c., the Phoenician princess Jezebel orders the execution of all the prophets who refuse to worship the pagan god Baal. Commanded by an angel of God to flee Israel, Elijah seeks safety in the land of Zarephath, where he unexpectedly finds true love with a young widow. But this newfound rapture is to be cut short, and Elijah sees all of his hopes and dreams irrevocably erased as he is swept into a whirlwind of events that threatens his very

existence. Written with the same masterful prose and clarity of vision that made *The Alchemist* an international phenomenon, *The Fifth Mountain* is a quietly moving account of a man touched by the hand of God who must triumph over his frustrations in a soul-shattering trial of faith.

In *The Winner Stands Alone*, Paulo Coelho has returned to the important themes of *Eleven Minutes* and *The Zahir: Love and Obsession*. He offers a suspenseful novel about the fascinating worlds of fortune and celebrity, where the commitment to luxury and success at any cost often prevents one from hearing what the heart actually desires. Coelho takes us to the Cannes Film Festival,

where the so-called Superclass gathers——those who have made it in the dreammaker ' s world of fashion and cinema. Some of them have even reached the very top and are afraid to lose their lofty positions. Money, power, and fame are at stake——things for which most people are prepared to do anything to keep. At this modern vanity fair we meet Igor, a Russian millionaire; Middle Eastern fashion czar Hamid; American actress Gabriela, eager to land a lead role; ambitious criminal detective Savoy, hoping to resolve the case of his life; and Jasmine, a woman on the brink of a successful modeling career. Who will succeed in identifying his or her own personal dream among the many prefabricated ones——and succeed in making it come true?

Paulo Coelho's astonishingly beautiful writing in Eleven Minutes

virtually guarantees it the cult status that *The Alchemist* already enjoys. But what is the Paulo Coelho phenomenon? How can an author who (only a short time ago) was virtually unknown to most readers have taken the world of books by storm--and without the benefit of glitzy advertising? The answer is simple: quality. Such books as *The Fifth Mountain* and *The Devil and Miss Prym* are enough to explain a considerable following for the author, with their atmospheric prose and involving characters. *Eleven Minutes* tells the story of young Maria living an innocent life in a Brazilian village and is played out in a measured fashion, but with all the author's brilliant scene-setting (very lush here) fully in place. But then Maria experiences love and suffers great pain. From this point, Coelho has us inexorably in his grip. Maria's disillusionment with love leads her to Geneva where she finally ends up selling her body (Coelho may

offer us the beauty of life, but never at the expense of its harshness). Maria's approach to sex is complex--this is no mere revulsion arising from what she is now doing with her life. And then she meets a seductive young painter, who may or may not offer her a new path in life. But does she prefer to continue on the dark sexual odyssey she has embarked on, at the expense of real love? There are echoes of DH Lawrence in Coelho's exploration of the sacred and spiritual aspects of sex and it's a brave author who tackles a subject that can so easily slip into strained seriousness. That never happens here, and Maria's journey is one that the reader willingly undertakes; the lesson she learns are lessons for the reader. --Barry Forshaw

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell

your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as

only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

A Fiction Discover an ancient journey, four thousand years ago Daniel, almost sixteen, is about to begin his first adventure. A magical journey through the ancient land of Edin and the love and loss of youth and innocence. His first journey is not what he expected. Print Version: 131000 words approx Daniel of Susa, almost sixteen, is about to begin his first adventure - the road to Harran, to the City of Caravans, the city of the God Sin. As Daniel steps into his future, his journey transforms into a pursuit, a scattering of lies, and a race to reach safety. Dark forces are searching the roads determined to destroy the threat to kings and

realms as foretold by the stars. But why must Daniel conceal himself? Why would they pursue him? And is there a traitor amongst those he considered his friends? By the time the truth is revealed, Daniel is already heading directly into the mouth of the very evil that he is hiding from, and because of a promise, there is no turning back. 'AN EPIC...A PAGE TURNER...STUNNING' RUBY ISMAIL 'I was astonished and moved by the care, consideration and sensitivity the characters show to one another in this novel. Most authors set up lots of tensions between their characters to add more drama, but these people really value their relationships and get a huge amount from them. This book seems infused with a spirit of humanity and compassion which even the animals in it share. Although it's set in the distant past, it feels very direct and accessible - atmospheric and evocative without being

weighed down by self-conscious historical detail and alienating archaic language. I'd recommend this to anyone who likes Paulo Coelho.' London Reader 'A beautifully narrated journey of friendship courage and strength of human spirit... Daniel's trust in himself and his friends allows him to overcome all obstacles. It is a moving and heart warming tale... The simplicity and honesty of the book is what keeps you turning page after page; a truly worthwhile read.' Shamim Moosa 'I love the Story...'
