Academic Vocabulary in Use Second Edition is the perfect study aid for anyone using English for their academic work. Ideal for students of any discipline, this second edition has been updated to reflect changes in education, technology and communications, includes a selection of new reading passages, and is now in full colour. 50 easy-to-use, two-page units give clear explanations of new vocabulary, along with a variety of practice exercises. A comprehensive answer key, and phonemic transcriptions to help with pronunciation, make it perfect for self-study as well as for use in the classroom. This book is designed for students at good intermediate level and above, and is also useful for those preparing for IELTS and university entrance examinations.

Essential Academic Vocabulary prepares students for academic success by helping them preview, learn, and practice vocabulary from the Academic Word List in context. Engaging academic readings highlight chapter vocabulary in context. From chapter to chapter, the readings and vocabulary increase in complexity level, allowing students to establish and build upon a solid vocabulary foundation.

The teacher's edition contains reproducible student activity pages, and accompanying teacher support, answer key, and skills charts.

"This book focuses on vocabulary acquisition among middle school students, providing teachers with efficient tools and guidance to ensure their students not only learn the appropriate academic vocabulary but also comprehend why these words are important. Includes the academic vocabulary most frequently used in middle school textbooks in the areas of English, health, mathematics, science, and social studies/history"--
