But I suggest that sometime through that long dark night, the burning in the bones of the prophet, the word of God, triumphed over the tremblings of his heart. The Word began to prove itself true. Jeremiah discovered what many of us have discovered in the hour of pressure, what the Word of God tells us -- "Greater is he that is in you, than he that is in the world," (1 John 4:4 KJV).

Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience. A key feature of African American performance is the layering of performative voices and the constant shifting of performative focus. To capture this layering, Hinson demonstrates how all the parts of the gospel program work together to shape a single whole, joining speech and song, performer and audience, testimony, prayer, preaching, and singing into a seamless and multifaceted service of worship. Personal stories ground the discussion at every turn, while experiential testimony fuels the unfolding arguments. Fire in My Bones is an original exploration of experience and belief in a community of African American Christians, but it is also an exploration of African American aesthetics, the study of belief, and the ethnographic enterprise.

This challenging book is designed to move the reader from complacency and apathy to an energized, passionate believer.

“But if I say, ‘I will not mention him or speak anymore in his name,’ his word is in my heart like a fire shut up in my bones. I am weary of holding it in. Indeed, I cannot.” - J. 20:9
Heinrich Ewald called Jeremiah, “the most human prophet.” To Douglas Humphries, he’s always been Jerry, “the prophet who talked back.” Unexpectedly, blessedly standing in opposition to everything he thought it took to be one of the faithful. Jeremiah’s story is one of rejection and destruction, tragic and yet profoundly hopeful. A true picture of what it costs to do the hard, right thing. What it means to follow God. What it means to even know God. And it found Douglas exactly when he needed it to. Part biblical analysis, part memoir, part confessional. As much a reaction to scripture as it is an investigation of it. This book brings new insight into an old, but all too familiar story. A new way to consider an old, but dear prophet.

In the Book of Jeremiah, God does not choose Jeremiah because he is qualified--rather, God qualifies Jeremiah because he is chosen! Like Jeremiah, each of God's children have a purpose that He longs for us to understand. We can only discover this purpose once we realize it's not about us--it's about God.
