Chris d'Lacey is back with more magic and dragons in the fifth book of his New York Times bestselling Last Dragon Chronicles! David Rain was lost in the Arctic and it was up to his daughter, Alexa, to bring him back. This one little girl had the power to save her father, but when she found him, she uncovered a lot more than just David: Dragons have finally returned to Earth as well. . . . Don't miss Chris d'Lacey's addition to his rich dragon mythology in his next series, The Erth Dragons!

Chris d'Lacey's wonderful storytelling takes us on a journey with familiar characters - in an unfamiliar place. Evil Aunts, intriguing firebirds and a dangerous universe await in another action-packed, compelling story.

Best-selling author Chris d'Lacey brings us a magical story about mysterious hand crafted clay dragons who have unusual powers. When David moves in with Liz and Lucy, he discovers a collection of hand crafted, clay dragons that comes to life and has magical powers. David's personalized dragon, Gadzooks, can forecast the future, and inspires him to write a story which reveals the truth behind an unsolved mystery close to home. The story has an unhappy ending, and when David realizes the consequences of it he is angry. Then David finds Gadzooks crying and near death, and he discovers that these special dragons die when they are not loved. Soon David is forced to save his friend and unlock the powers of the fire within. Don't miss Chris d'Lacey's addition to his rich dragon mythology in his next series, The Erth Dragons!

A stirring of new magic at the poles makes a fiery tale for readers in the 4th book in the NY TIMES bestselling Dragons series! Five years have passed since David Rain, now a bestselling author, disappeared mysteriously in the Artic. Slowly the ice is changing; bears are starving; dragons are rising; and the spirit Gaia, goddess of the Earth, is restless, wanting to act upon these changes. But all living things may suffer if she does. As the weather grows wilder and the ice caps melt, all eyes turn from the north to David's daughter, Alexa. She is the key to stopping it. . . . Can one girl save the world from the forces of evil before she disappears like her father? Don't miss Chris d'Lacey's addition to his rich dragon mythology in his next series, The Erth Dragons!

As the weather grows wilder and the ice caps melt, Arctic bears starve, dragons awake, the earth goddess Gaia becomes restless, and Alexa Rain uses her special abilities in an attempt to save the world from the forces of evil.

The second in a series from bestselling author Chris d'Lacey. Full of adventure and suspense, this novel about dragons reveals the truth of the icefire. When David is assigned an essay on the history of dragons, there is only one thing he knows for sure -- he wants to win the prize of a research trip to the Arctic. As David begins to dig deeper into the past, he finds himself drawn down a path from which there is no going back. . . . to the very heart of the legend of dragons, and the mysterious, ancient secret of the icefire. . . .
