Garmin Nuvi GPS And More, 6 Pieces | Property Room
Bought the Garmin Nuvi 1450 from Amazon a month ago and so far very
pleased. As usual, Amazon service was superb and I continue to have
only high accolades for the big A. The unit itself is very impressive
for the price. The 5" screen is surprisingly larger than the 4.3"
units I looked at - hard to imagine how much difference that .7"
makes.
