In I am for Christian kids-Affirmations for Christian Kids, author Shonda Miles wants to empower Christian kids. Kids need to have positive messages. Christian Kids need to know what they believe. They need constant reminders that at the right time they will be reminded what they believe. In I am for Christian kids, some of the affirmations are directly from the word of God. High Self Esteem is critical for Christian kids today. It is essential that kids believe the right things about themselves. The truth is if a kid believes in his or herself and talks to themselves in a positive way then nothing will stop them when they face challenges in life. Christian kids need to practice positive self-talk every day. The purpose of this book is to help kids do just that.

passion, purpose, and prosperity with 52 affirmations and time-tested wisdom. In our 24/7 world, where we move at warp speed, sometimes we let life happen to us instead of taking control of our direction. Other times, we suffer from information overload, and we fail to consciously control our positive thoughts, and we allow negativity to take over. For those who want to rise above, to get unstuck, or to catapult to a new level success, Jack Canfield will show you how positive affirmations can transform your life in extraordinary ways. Canfield, with the help of esteemed coauthors Kelly Johnson and Ram Ganglani, explains what positive affirmations are (and what they are not), why they are so effective, and how to effortlessly integrate their practice into your life. Pulling the most effective tenets from his bestselling book *The Success Principles*, Canfield covers all areas of life, from financial prosperity and creative pursuits to your career and positive relationships. *Success Affirmations* reveals:

- How to avoid letting life just happen to you, and how to proactively go after your dreams
- How to use the power of deliberate thought to create the reality you want
- How to identify your true passions and purpose to direct your affirmations to concrete goals, not nebulous ideas or someone else's vision
- How to harness positive energy to attract what you want in your life through the Law of Attraction
- How to unplug from technology and plug into your true source of energy
