The First Americans: Guided Reading Lesson 3: North

North America - North America - The people: In global terms, North America long remained a relatively empty and economically undeveloped land until about 1500 ce. After that the continent began to receive great numbers of people from the Old World—primarily Europe and Africa—and it underwent a profound transformation. The discussion that follows primarily covers the nonindigenous peoples ...

Section 1 North American Societies Guided Answer

Native Americans (also called Aboriginal Americans, American Indians, Amerindians or indigenous peoples of America) are the people and their descendants, who were in the Americas when Europeans arrived. There are many different tribes of Native American people, with many different languages. There are more than three million Native Americans in Canada and the U.S. combined.
