Notes on a Guitar Fretboard. Like the chromatic scale, there are really only 12 notes on a guitar 's fretboard. The same 12 notes can be found on every string of a guitar, only they are in different positions. The most important notes to learn when first starting out are the natural notes (i.e. notes that are not # or ). This is useful as once the natural notes are memorized, it is much easier to incorporate the sharps or flats as they will be directly in front or behind the natural note.
