This manual doesn't replace a ford
service manual, but it gives step by
step instructions on how to fix most
common problems, and a lot of tips.
Since this manual applies to Ford
ranger and bronco, the instructions are
general and not too detailed, but once
again it's okay for back yard
mechanics who are looking for a little
help.

Ford Bronco Ford Bronco was a sport utility vehicle manufactured by Ford between 1966 and 1996. This two-door SUV was reasonably popular, and sold well until it was discontinued. It was a competitor to the Jeep CJ-5 and Harvester Scout. Initially it had its own special platform but in 1970 it was made bigger and shifted to a F Series platform.
