Why are people confused that there is so much injustice? In the grand scheme of things its all fair.

Hinduism stories: Hindu religion stories on spirituality

Third in the list of major religions, with more than 870 million followers, is Hinduism. Hinduism goes back to 5000 BCE and is a compilation of many diverse traditions (in contrast to Christianity and Muslim traditions, both of which emerged from a single founder) making it the oldest practised religion, closely related to that of Jainism, Sikhism, and Buddhism.

An old man warns the King his sister's eighth child will kill him. So the King throws his sister and her husband in prison. The king orders the death of each child they have. When their eighth child is born they call him Krishna, but they can't bear to hand him over to the king.

Exciting new retellings of stories from world religions in under 400 words with bright, colourful illustrations.

The new edition of this highly popular guide, How to Read World Literature, addresses the unique challenges and joys faced when approaching the literature of other cultures and eras. Fully revised to address important developments in World Literature, and generously expanded with new material, this second edition covers a wide variety of genres – from lyric and epic poetry to drama and prose fiction – and discusses how each form has been used in different eras and cultures. An ideal introduction for those new to the study of World Literature, as well as beginners to ancient and foreign literature, this book offers a variety of "modes of entry" to reading these texts. The author, a leading authority in the field, draws on years of teaching experience to provide readers with ways of thinking creatively and systematically about key issues, such as reading across time and cultures, reading works in translation, emerging global perspectives, postcolonialism, orality and literacy, and more. Accessible and enlightening, offers readers the tools to navigate works as varied as Homer, Sophocles, Kalidasa, Du Fu, Dante, Murasaki, Moliere, Kafka, Wole Soyinka, and Derek Walcott Fully revised and expanded to reflect the changing face of the study of World Literature, especially in the English-speaking world Now includes more major authors featured in the undergraduate World Literature syllabus covered within a fuller critical context Features an entirely new chapter on the relationship between World Literature and postcolonial literature How to Read World Literature, Second Edition is an excellent text for undergraduate and postgraduate courses in World Literature. It is also a fascinating and informative read for all readers with an interest in foreign and ancient literature and the history of civilization.

Join Hershel the Jewish reindeer as he and his friends of every religion, including a Hindu elf, Muslim gnome, Buddhist reindeer, atheist navigator, agnostic weather forecaster, and even the tooth fairy, work together to help out their Christian friends on their special night!

The Historical Dictionary of Asian American Literature and Theater covers the history of Asian American literature and theater through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on authors, books, and genres. This book is an excellent access point for students, researchers, and anyone wanting to know more about this important topic.

Are today's young adults gender rebels or returning to tradition? In Where the Millennials Will Take Us, Barbara J. Risman reveals the diverse strategies youth use to negotiate the ongoing gender revolution. Using her theory of gender as a social structure, Risman analyzes life history interviews with a diverse set of Millennials to probe how they understand gender and how they might change it. Some are true believers that men and women are essentially different and should be so. Others are innovators, defying stereotypes and rejecting sexist ideologies and organizational practices. Perhaps new to this generation are gender rebels who reject sex categories, often refusing to present their bodies within them and sometimes claiming genderqueer identities. And finally, many youths today are simply confused by all the changes swirling around them. As a new generation contends with unsettled gender norms and expectations, Risman reminds us that gender is much more than an identity; it also shapes expectations in everyday life, and structures the organization of workplaces, politics, and, ideology. To pursue change only in individual lives, Risman argues, risks the opportunity to eradicate both gender inequality and gender as a primary category that organizes social life.
