Josefina 'Jo' Marconi's world just shifted out of orbit. Both of her sisters are pregnant, she's facing finals in her quest to at last get her college degree, the man who traumatized her in college is running for a Senate seat, and she has to move back into the family home and watch over the boy whose very existence shattered her nice little world. Ten-year-old Jack is the product of an affair her father had while her mother was dying of cancer. Ever since Jo found out about

this, she and her father have been walking a wide berth around each other. As if that wasn't enough complication, Cash Hunter--the man known as "The Woman Whisperer"--has moved back to town. He has a reputation: once a woman sleeps with him, she's completely satisfied, and she immediately heads off to save the world. As Jo becomes more and more interested in Cash, she learns that he's determined not to sleep with any woman he wants to stick around--especially not Jo. And Jo becomes just as determined to seduce him and prove that she's the one woman who will stay by his side. Together, Jo and Cash have to teach Jack and each other the true meaning of family and trust.

This daily devotional journal was written especially for you. This book will leave you feeling inspired, motivated and empowered. Throughout your daily journey you will spend one on one time with God and walk into your many blessings.

In times of suffering, simplistic answers ring empty and hollow. But Henri Nouwen, beloved spiritual thinker and author, offers real comfort in the concrete truth of God's constancy. Nouwen suggests that by greeting life's pains with something other than despair, we can find surprising joy in our suffering. He suggests that the way through suffering is not in denial, but rather in living fully in the midst of

With her sisters both too pregnant to help with Marconi Construction, Jo Marconi is forced to hire carpenter Cash Hunter, whose rumored talents go beyond a mastery of wood. Cash is determined to seduce her... and Jo's just as determined not to be seduced. Though she can feel the electric passion when he's near, she knows how much damage electricity can cause—and she's been hurt enough for a lifetime. So she'll resist his charms. She'll resist his lingering kiss. And above all, she'll resist falling in love. Praise for *The Marconi Brides*: "This engaging second-chance-at-love story displays Child's trademark tenderness toward children, her belief in the importance of family through good times and bad, and the sort of engagingly quirky supporting characters she portrays so well, all set in a familiar, warm, and comforting hometown atmosphere." - Booklist on *AND THEN CAME YOU* "Child is at her most charming in [this] contemporary romance series..." - Publishers Weekly on *CRAZY KIND OF LOVE*

Stars" style fund-raiser, she finds herself face-to-face with the worst mistake from her past. One slow step forward Attorney Tucker McGee has always seen past the prickly exterior of this former mean girl. He knows there's more to the story than simple spite. When they get partnered for Dancing With Wishful, he finally gets the chance to act on the spark he's felt since she moved home. But getting past her regrets just might be the biggest challenge he's ever faced. Two quicksteps back As the competition heats up, so do the feelings between them. Will Tucker be able to convince Corinne that she's more than the sum of her mistakes? Or will she be forced to leave town to find a new beginning without him?

If I Could Turn My Tongue Like That, by Thomas Klingler, is an in-depth study of the Creole language spoken in Pointe Coupee Parish, Louisiana, a community situated on the west bank of the Mississippi River above Baton Rouge that dates back to the early eighteenth century. The first comprehensive grammatical description of this particular variety of Louisiana Creole, Klingler's work is timely indeed, since most Creole speakers in the Pointe Coupee area are over sixty-five and the language is not being passed on to younger generations. It preserves and explains an important yet little understood part of America's cultural heritage that is rapidly

disappearing. The heart of the book is a detailed morphosyntactic description based on some 150 hours of interviews with Pointe Coupee Creole speakers. Each grammatical feature is amply illustrated with contextual examples, and Klingler's descriptive framework will facilitate comparative research. The author also provides historical and sociolinguistic background information on the region, examining economic, demographic, and social conditions that contributed to the formation and spread of Creole in Louisiana. Pointe Coupee Creole is unusual, and in some cases unique, because of such factors as the parish's early exposure to English, its rapid development of a plantation economy, and its relative insulation from Cajun French. The volume concludes with transcriptions and English translations of Creole folk tales and of Klingler's conversations with Pointe Coupee's residents, a treasure trove of cultural and linguistic raw data. This kind of rarely printed material will be essential in preserving Creole in the future. Encyclopedic in its approach and featuring a comprehensive bibliography, *If I Could Turn My Tongue Like That* is a rich resource for those interested in the development of Louisiana Creole and in Francophony.
