Training Guides | Human Resources

Guide to Managing Human Resources. We developed the Guide to Managing Human Resources because supervisors and managers asked for a comprehensive yet easy-to-use manual that would provide guidelines for the personnel management decisions you make every day. We hope the Guide will support you in those decisions by providing the information you need to manage your human resources tasks.

Human Resources

Human Resource Management (HRM) is an operation in companies designed to maximize employee performance in order to meet the employer's strategic goals and objectives. More precisely, HRM focuses on management of people within companies, emphasizing on policies and systems. In short, HRM is the process of recruiting, selecting employees, providing proper orientation and induction, imparting proper training and developing skills.
