In this exquisite, haunting book, John Burnside describes his coming of age from the industrial misery of Cowdenbeath and Corby to the new world of Cambridge. This is a memoir of romance – of lost love and the love of being lost – darkened by threat, illuminated by glamour. The old Scots word ‘ glamour ’ means magical charm, and the first time he was played I Put a Spell on You, John Burnside thought he had never heard a more beautiful song – it was an enchantment, a fascination that would turn to obsession. Implicit in the song were all the ambiguities that intrigued him – love, possession and danger – and this book is an exploration of the darker side of glamour and attraction. Beginning with memories of a brutal murder, the book follows the author through a series of uncanny encounters
