An FBI agent and a lawyer are falling in love—and making a federal case out of it in #1 New York Times bestselling author Julie Garwood's hot romantic thriller. When Special Agent Grayson Kincaid first encounters Olivia MacKenzie, she makes quite an impression. The beautiful, tough young attorney has stumbled into the middle of an FBI sting operation and reduced it to chaos. Olivia has ticked off the wrong guy. He's FBI, but Olivia is even more intimidating. She's IRS. Olivia is on the trail of an elaborate Ponzi scheme for her own very personal reasons, and her investigation has enraged some ruthless people and endangered her life. She's no stranger to tight situations, but she's smart enough to know when to call for help, especially if that help is tall, dark, and handsome. Together, Grayson and Olivia make a great team to fight corruption, but they're also fighting an intense attraction—the one battle they're bound to lose.

There are few authors who can weave nail-biting thrills, edge-of-your-seat drama, and romantic suspense as masterfully as Julie Garwood. Now she ratchets up the tension with Murder List, in which evil is on the hunt- and proves to be methodically organized and chillingly successful. When Chicago detective Alec Buchanan is offered a prime position with the FBI, it is the perfect opportunity to leave the Windy City and follow in his brothers' footsteps to the top echelons of law enforcement. But first he must complete one last assignment (and one that he is not too happy about), acting as a glorified bodyguard to hotel heiress Regan Hamilton Madison. The gorgeous exec has become entangled in some potentially deadly business. Someone has e-mailed her a graphic crime-scene photo-and the victim is no stranger. Regan suspects that the trouble started when she agreed to help a journalist friend expose a shady self-help guru who preys on lonely, vulnerable women. In fact, the smooth-as-an-oil-slick Dr. Lawrence Shields may be responsible for the death of one of his devotees, which was ruled a suicide. Hoping to find some damning evidence, Regan attends a Shields seminar. At the gathering, the doctor persuades his guests to partake in an innocent little "cleansing" exercise. He asks them to make a list of the people who have hurt or deceived them over the years, posing the question: Would your world be a better place if these people ceased to exist? Treating the exercise as a game, Regan plays along. After ten minutes, Shields instructs the participants to bring their sheets of paper to the fireplace and throw them into the flames. But Regan misses this part of the program when she exits the room to take a call-and barely escapes a menacing individual in the parking lot. The experience is all but forgotten-until the first person on Regan's list turns up dead. Shock turns to horror when other bodies from the list start to surface, as a harrowing tango of desire and death is set into motion. Now brutal murders seem to stalk her every move-and a growing attraction to Alec may compromise her safety, while stirring up tender emotions she thought she could no longer feel. Yet as the danger intensifies and a serial killer circles ever closer, Regan must discover who has turned her private revenge fantasies into grisly reality.

Every fire begins with a little heat-and in Slow Burn, bestselling author Julie Garwood provides the spark, skillfully blending pulse-pounding action, intense emotion, and characters with grit and heart. The result is an electrifying novel of romantic suspense that will have readers burning through the pages. An unpretentious beauty who radiates kindness, Kate MacKenna doesn't have a bad bone in her body-or an enemy in the world. So why are bombs igniting everywhere she goes? The first explosion brings her face-to-face with a handsome Charleston police detective. The second sends her into the arms of her best friend's brother-a Boston cop who's a little too reckless and way too charming for comfort. But Dylan Buchanan won't let emotion prevent him from doing his job: Someone is trying to kill Kate, and Dylan is the only one standing between her and the monster who wants her dead.

A woman's life and love are compromised in this pulse-pounding thriller from #1 New York Times bestselling author Julie Garwood. Dr. Ellie Sullivan has witnessed the shooting of an FBI agent in pursuit of a ruthless modern-day Bonnie and Clyde. The only person to see the shooter's face, Ellie is suddenly thrust into the center of a criminal investigation spearheaded by the non-sense, by-the-book, and tantalizingly handsome agent Max Daniels. When the couple is captured, she'll be called to testify. But the Landrys have been caught before, and each time the witnesses are scared into silence—or they disappear. Now Max vows to be Ellie's shadow, promising never to leave her side until the trial. But that could be dangerous for both of them, and it isn't long before the sparks—and the bullets—fly.

A beautiful computer hacker and a bad-boy FBI agent must collaborate—in more ways than one—in this sexy, suspenseful novel from #1 New York Times bestselling author Julie Garwood. Allison Trent doesn't look like a hacker. In fact, when she's not in college working on her degree, she models on the side. But behind her gorgeous face is a brilliant mind for computers and her real love is writing—and hacking—code. Her dream is to write a new security program that could revolutionize the tech industry. Hotshot FBI agent Liam Scott has a problem: a leak deep within his own department. He needs the skills of a top-notch hacker to work on a highly sensitive project to secretly break into the FBI servers and find out who the traitor is. But he can't use one of his own. He finds the perfect candidate in Allison. Only, there's one problem—she wants nothing to do with his job and turns him down flat. What Liam doesn't know is that Allison is hiding secrets that she doesn't want the FBI to uncover. But Liam will do nearly anything to persuade her to join his team, even break a few rules if that's what it takes. A temptation that could put his job—and both of their futures—on the line...
