Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.

Armed with The Layguide's wisdom, men will no longer fear rejection and will have the poise, power and skills to attract any woman.Stop for a moment and reflect. What is it you strive for in life? To be famous, only to be forgotten when the next big thing comes along? To have more money than your neighbour? To get promotion and a slightly bigger office? Why? To win the love and respect of a beautiful woman. To have great sex, whenever you want, with the woman of your dreams.What if you could skip through the struggle and go straight to the prize?As the soon-to-be-published The Game testifies, this is a guide that guarantees success. No matter what your goal, and no matter what your experience, The Layguide will lead you to the place of your dreams, even if you've never spoken to a woman or had a date in your whole life.Do you want to have sex with a different beautiful woman every night of the week? This book will show you how. Do you want to play the field in search of that one special woman? This book will show you how to do that, too.For more than a decade, Tony Clink has read books, talked with friends and strangers, and searched the Internet looking for the best and most interesting ideas on picking up women. He's tried and tested them all, finding out which ones were duds and which ones really worked, and traded his personal secrets with like-minded players around the world. And, of course, he's had lots and lots of amazing interaction with women, from steamy one night (or one hour) stands to his current two-year relationship with 'the most wonderful woman in the world'.Unlike other seduction guides, The Layguide is strictly no experience required. Even if you've never spoken to a woman in your life, Clink shows you step-by-step how to become the confident, successful 'lay man' you've always wanted to be. And if you're an experienced seducer, it will take you to heights of success you never thought possible.

Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

Clink has taught men across the country how to seduce a woman without fail. Now, every guy can have access to his infallible wisdom in "The Layguide."

Now in paperback, a gripping travel memoir detailing the characters and landscapes of the American West and the ever-changing face of the Continental Divide.

Treat yourself to an epic #1 New York Times bestselling love story that spans decades and continents as two people at a crossroads -- one from North Carolina and one from Zimbabwe -- experience the transcendence and heartbreak of true love. Hope Anderson has some important choices to make. At thirty-six, she's been dating her boyfriend, an orthopedic surgeon, for six years. With no wedding plans in sight, and her father recently diagnosed with ALS, she decides to use a week at her family's cottage in Sunset Beach, North Carolina, to ready the house for sale and mull over some difficult decisions about her future. Tru Walls has never visited North Carolina but is summoned to Sunset Beach by a letter from a man claiming to be his father. A safari guide, born and raised in Zimbabwe, Tru hopes to unravel some of the mysteries surrounding his mother's early life and recapture memories lost with her death. When the two strangers cross paths, their connection is as electric as it is unfathomable . . . but in the immersive days that follow, their feelings for each other will give way to choices that pit family duty against personal happiness in devastating ways. Illuminating heartbreaking regrets and enduring hope, Every Breath explores the many facets of love that lay claim to our deepest loyalties while asking a life-changing question: How long can a dream survive?

Aurelia, the first princess born in Renalt in 200 years, is destined to marry the mysterious prince of Achelva, Valentin, but her treacherous lady-in-waiting, Lisette, plots to take her crown.

A historical novel based on a true story of the Jacobite rebellion, from " a writer who has a special feeling for the dramatic " (Chicago Tribune). This fiercely beautiful novel tells the true story of Charles Radcliffe, a Catholic nobleman who joined the short-lived Jacobite rebellion of 1715, and of Jenny, his daughter by a secret marriage. Set in the Northumbrian wilds, teeming London, and colonial Virginia—where Jenny eventually settled on the estate of the famous William Byrd of Westover—Jenny ' s story reveals one young woman ' s loyalty, passion, and courage as she struggles in a life divided between the Old World and the New. " Miss Seton ' s narrative is richly buttressed with the results of scrupulous research on the personages and the period. Her sole purpose is to tell a rousing good tale plainly and simply and this she does admirably. " —New York Herald Tribune
