Leo Santini is a man who always has a plan. It is the way to live a well-ordered life. He never planned on dealing with the hardheaded physical therapist who is taking care of his friend. He definitely never planned on being so totally infatuated with her. Maryanne Johnson doesn ' t have time for a romance—especially with a military man. Sure, Leo is drop dead sexy, but more than one man in a uniform had hurt her before. Unfortunately, she can ' t seem to resist him or his kisses. It doesn ' t help that the man is as sweet as he is sexy. Falling for him is easy, but she does her best to keep herself from admitting it to him. Leo knows she wants to keep things simple but when a Santini is in love nothing will stop him from achieving his goal—even the hardheaded woman he loves.

Dive into this sizzling romantic comedy from USA Today bestselling author Melissa Schroeder. He is absolutely, completely, and undoubtedly the one man I shouldn't fantasize about. Other than being my boss, he's too rigid, a workaholic with a checkered past when it comes to women. Knowing all that, I shouldn't think about how his hands would feel on my body, or how his voice would sound when he whispered my name in the dark. But I can resist him. Mainly because he can't stand me, and he's the kind of boss who makes me think about murder on a daily basis. That's until he shows me his softer side and ignoring my need for him becomes impossible. No, softer side or not, I have to resist the lure of Grady Hawthorne because if I don't, I'm pretty sure I won't survive the fall. Warning: This book includes a smack-talking executive assistant, a workaholic boss who has the most amazing...mouth, irritating siblings, a drunken night that ends in jail, and a happily ever after that will make you sigh. Author assumes no responsibility for overheated readers. This is a standalone romantic comedy with no cheating and an HEA.

Chrisey: The guys I ' ve been dating lately have all been so blah. Blah doesn ' t even describe it. More like humdrum, bored to tears, with my brain leaking out of my ears. But then I meet a man who looks like a superhero through my new escort agency. He ' s got muscular frame, thick, heavy thighs, and a huge shaft that reminds me of pure steel. Even more interesting, he says he likes them curvy. Young. And most of all, able to stretch. Am I up for the job? All I know is that my warrior wants me to earn my keep ... and I ' ll never be the same after he ' s done. Remember Hunter Lindstrom ' s sassy daughter from Raw and Ready? Well, now it ' s time for Chrisey ' s story! Yes, she ' s made some "eye-popping" choices, but let ' s just say the sassy woman doesn ' t regret them one bit, especially when there ' s a man nicknamed the Hulk standing by to give her the ride of her life. Sit down, relax, and enjoy with an ice cold lemonade because you ' ll be DYING of thirst! This book is a standalone and does not need to be read in order with the rest of the series. No cheating, no cliffhangers, and always an HEA for my readers.
