Volume. 2008. xxi, 792 pages : 29 cm. As the long-time best-seller, Garrison has helped guide  
close to 2 million students through the challenging waters of managerial accounting since it  
was first published. It identifies the three functions managers must perform within their  
organizations--plan operations, control activities, and make decisions--and explains what  
accounting information is necessary for these functions, how to collect it, and how to  
interpret it.
