Nightrise Quotes by Anthony Horowitz - Goodreads

Nightrise Book Review (The Gatekeepers Book #3) by Anthony Horowitz I'd give this one 3.5 stars out of 5. Anthony Horowitz is one of my favorite modern writers. His greatest strength, or, what resonates with me most, is when he is writing something slightly creepy, mysterious, and ominous. He is VERY good at that, and I can't get enough of it.

And now the third and fourth of The Five -- twins with a mysterious psychic bond -- are joining the fight....Hailed "a master of edge-of-your-seat writing" by Booklist, Anthony Horowitz pens the New York Times best-selling Gatekeepers series, With Nightrise, he amplifies the suspense as an evil group strives to imprison and control the psychic twins, Scott and Jamie.

The third heart-pounding book in #1 NYT bestselling author Anthony Horowitz's spellbinding The Gatekeepers series. A gate has been opened. The Old Ones have been released. And now the third and fourth of The Five -- twins with a mysterious psychic bond -- are joining the fight.

14-year-old twins Jamie and Scott Tyler are performing a mind-reading act in a dingy theatre. But when a sinister multinational corporation, Nightrise, kidnaps Scott, Jamie is left alone - and wanted for murder.

Evil has been unleashed on the world and only five children - with special powers - can save it. Matt and the others desperately need to find Scarlett, the final gatekeeper, who has been trapped in Hong Kong, where puddles of water turn into puddles of blood, where ghosts, demons and hideous creatures

stalk the streets.

Matt has always know he has unusual powers. Raised in foster care, he is sent to Yorkshire on a rehabilitation programme, only to find himself in the midst of sinister goings-on centring on a battle between eight guardians and a group of devil worshippers seeking to release evil ones who must be stopped.

Having escaped from Hong Kong, fifteen-year-old Matt and four other Gatekeepers take an ultimate stand against a destructive evil force that has unleashed a decimating storm as part of a plot to end the world.

After his experiences at Raven's Gate, 14-year-old Matt Freeman thinks his days of battling evil are over. But soon he is pulled into another adventure when he discovers a second gate exists. Matt and his friend Richard travel to Peru and, assisted by a secret organization, follow a series of clues to the gate's whereabouts.

As fourteen-year-old telepathic twins struggle to escape from the Nightrise Corporation, one of them travels through dreams and learns the role that he and the other Gatekeepers must play to keep the world safe from the Old Ones' return.

David Baldacci is back with *The Keeper*, the follow up to his instant #1 global bestseller and award-winning YA fantasy debut *The Finisher*. Vega Jane was always told no one could leave the town of Wormwood. She was told there was nothing outside but the Quag, a wilderness filled with danger and death. And she believed it - until the night she stumbled across a secret that proved that everything she knew was a lie. Now Vega and her best friend Delph must find a way to make it across this terrifying land of bloodthirsty creatures and sinister magic. But the Quag is worse than Vega Jane's darkest imagining. It's a living, breathing prison designed to keep enemies out and the villagers of Wormwood in. The Quag will throw everything at Vega. It will try to break her. It will try to kill her. And survival might come at a price not even Vega is willing to pay. Master storyteller David Baldacci unleashes a hurricane of action and adrenalin that takes readers to breaking point in this second instalment in the Vega Jane series.

The next person who compares Chloe Cho with famous violinist Abigail Yang is going to HEAR it. Chloe has just about had it with people not knowing the difference between someone who's Chinese, Japanese, or Korean. She's had it with people thinking that everything she does well -- getting good grades, winning first chair in the orchestra, et CETERA -- are because she's ASIAN. Of course, her own parents don't want to have anything to DO with their Korean background. Any time Chloe asks them a question they change the subject. They seem perfectly happy to be the only Asian family in town. It's only when Chloe's with her best friend, Shelly, that she doesn't feel like a total alien. Then a new teacher comes to town: Ms. Lee. She's Korean American, and for the first time Chloe has a person to talk to who seems to understand completely. For Ms. Lee's class, Chloe finally gets to explore her family history. But what she unearths is light-years away from what she expected.

John and Philippa Gaunt are off on another spellbinding adventure in bestselling author P. B. Kerr's *Children of the Lamp* series! John and Philippa Gaunt are all ready for their lives to return to normal now that their mother has given up her djinn powers. But the siblings are quickly drawn into yet another mystery when the world's luck tips wildly out of balance (to the world's detriment). The key to the world's fate lies with five fakirs who were buried alive, each of whom guards a secret that can answer a great question of the universe. But there's an evil djinn desperate to dig up the secrets. Without their mother's powerful magic, John and Philippa must face this djinn alone.
