When Cecil Sharp transcribed O Waly Waly in 1908, it bore this title but did not contain the title words (beginning instead with "Down in the meadows"). It has been suggested since that the version we know now may be a composite of three songs: the Scottish "Waly Waly" (meaning "a cry of woe or grief"), the Cecil Sharp transcript and an American song, "The Water Is Wide," which begins the first verse of our version. This sad song is sometimes set in 3/4 time, but I have chosen to give it a gently rocking 4/4 feel, slightly reminiscent of the version by the singer James Taylor. Cornelius Gurlitt was a prolific German composer and pianist. This collection provides a set of 12 contrasting pieces for piano, displaying particular charm and character.

With *The Beggar's Opera* (1728), Gay invented the ballad opera. It is here published for the first time with its sequel, *Polly*, in which Macheath and Polly Peachum are transplanted to the West Indies. Together the plays offer a scathing and ebullient portrait of a society in which statesmen and outlaws are impossible to tell apart.

This versatile collection contains 18 songs for solo voice and piano appropriate for recitals, concerts, contests and worship services. Includes songs by J. S. Bach, Beethoven, Dvorak, Mendelssohn, Mozart and more! This title is available in SmartMusic.
