her long-time Master, only to find herself in a new, much more intense power exchange relationship with Daniel. But is Vincent really out of her life forever? Can Wednesday bear the intimacy of her new lover's demands? The three soon find themselves in an uneasy and sometimes downright contentious love triangle. Wednesday wants to submit to Daniel, but self-protective impulses and bad memories make their budding relationship a constant struggle. In a world of passion, promises, and power exchange, Wednesday and her lovers must come to understand the difference between being "owned" and loved.

Prosper is thrilled to be plucked from the corps de ballet to dance the lead role in Firebird. But Jackson, the guest

choreographer, is as sexy as he is demanding. Prosper soon finds herself flustered by his closeness and his unforgiving gaze. She gets caught up in kinky fantasies that make it difficult for her to concentrate on his steps. She imagines him as her Dominant, turning her over his knee for flubs in rehearsal. Just as sensual tension at work builds to an impossible level, a surprise encounter outside the studio results in Prosper's fantasies being realized. Jackson takes his protégée home and ties her to his bed. Soon Prosper is receiving the discipline and domination she craves -- and much, much more. The pair maintain a secret off-stage relationship -- scorchingly intimate encounters several evenings a week. But Prosper feels the burden of carrying the Firebird ballet on her back, and Jackson knows that his time

Kai Chandler has it all. A thriving tech business, movie star friends, and a mansion in the Malibu hills. But he's lonely, nursing a broken heart and reeling from a shocking breach of trust. sexual servant to use at will, a woman thoroughly trained in the pleasuring of men. Kai makes the trip and meets Constance, a shy and strangely quiet odalisque. By the time he learns that Constance is deaf, he's already too drawn to her sensual mystery to consider anyone else. He decides to acquire the beautiful woman and bring her to his home. Constance and Kai delight in their voyage of erotic exploration as he plays undisputed Master to her slave. But soon they find themselves forming an increasingly emotional connection, with the end of Constance's term of service looming over their heads. Jealousy, fear, regret and longing threaten to tear the lovers apart, and they must choose between the safety of the Code and the risk of true love and trust.

Cait has always lived a simple, secluded life in the Scottish woods. Then, in her eighteenth year, she's summoned to Aberdeen and informed with cruel disdain that she's the unwanted daughter of the king. To deal with this "problem," Cait is forced to marry a forbidding stranger, Duncan, the Devil of Inverness, who has already buried one wife. She travels to the Devil's castle reluctantly, in dread, and Duncan is none too pleased to welcome the pale, dark-haired creature as his wife. But the two soon realize they are more perfectly matched than either suspected. His deep desire to dominate and discipline his new wife is matched only by her bravery and willingness to submit to his perverse demands and desires. But a phantom threat stalks Cait, and Duncan is troubled by her secret and

When Master's business calls him away, Molly is left in the care of Mephisto, the owner of a thriving local BDSM club. Molly is both excited and scared to be given over to Master Mephisto. His power and mysterious intensity have long compelled her from afar. Molly finds herself immersed in a world of strict commands, pervasive sex, and creative torments. Over the course of a week, Mephisto strips away privileges Molly took for granted, and forces her to understand and acknowledge the depths to which she can be made to submit. But a surprising conversation the last day threatens Molly's worldview, as does the strange closeness that develops
