The journey to financial freedom starts here! Kapoor/Dlabay/Hughes/Hart's market-leading Personal Finance provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs. And now, McGraw-Hill Connect empowers students by continually adapting to deliver precisely what they need, when they need it, and how they need it, so your class time is more engaging and effective.

Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

From America's most authoritative source: the quintessential primer on understanding and managing your money Money courses through just about every corner of our lives and has an impact on the way we live today and how we'll be able to live in the future. Understanding your money, and getting it to work for you, has never been more important than it is today, as more and more of us are called upon to manage every aspect of our financial lives, from managing day-to-day living expenses to planning a college savings fund and, ultimately, retirement. From The Wall Street Journal, the most trusted name in financial and money matters, this indispensable book takes the mystery out of personal finance. Start with the basics, learn how they work, and you'll become a better steward of your own money, today and in the future. Decisions students make today can affect not only their life now but have an impact on their future. If students make wise financial decisions, life can become a more joyous experience. On the other hand, if students make bad decisions, life may not turn out so well. Personal Finance was written with one purpose: To provide the information students need to make informed decisions that can literally change their life. The 13th provides the information needed to take advantage of opportunities and to help manage their personal finances. This new edition of Personal Finance is packed with updated information and examples to help students plan for the future and achieve financial security. For example, we have revised important topics like taxes, college loans, health care, and investments to provide the most current information available. Other important topics including credit, housing, legal protection, retirement planning, and estate

planning have also been revised in this edition.

Kapoor Seventh Canadian Edition provides the perfect balance between practical application and comprehensive coverage of personal financial planning theories. Coverage includes personal financial planning in the areas of money management, tax planning, consumer credit, housing and other consumer decisions, legal protection, insurance, investments, retirement planning, and estate planning. The Seventh Canadian Edition gives students the foundation they need to make sound financial decisions related to spending, saving, borrowing, and investing with the end goal of establishing long term financial security.
