Philips TV Service/Repair Manuals - Tradebit

If the PHILIPS TV (or any other TV for that matter) has a damaged and broken screen panel. Then it is never economical for repair. It will cost the customer more than the TV's value to have a new screen replaced. Screen panel makes up for 90% of the TV's value and when you add labour on top, it will never be viable to have a screen replaced.

Press the button to cycle through the input options until your TV gets a picture back. Also, be sure to check behind the TV for loose connections, and re-plug anything that is not connected properly. If your television is still not receiving a signal, reset the cable box by unplugging it and plugging it back in.
