The official publication of Major League Baseball, here, in words and photos, are the incredible moments in the extraordinary race to eclipse baseball's most cherished record. In their pursuit of the single-season homerun record set by Roger Maris in 1961, Mark McGwire and Sammy Sosa captured the hearts and imagination of baseball fans--and many non-fans--across the nation. Race for the Record brings it all back with a blow-by-blow account of the unbelievable 1998 season. Relive every historic homer with colorful

'The whole Bible, in just one year? You've got to be kidding.' Don't panic! How about just the New Testament to start off with? Take thousands of young people all committed to reading the word together Add in a brand new arrangement of the New Testament, with small chunks to read each day Start on 1st September, when the new school/uni year is getting going Kick it off with a bit of explanation about how the Bible works and what it contains Mix with online blogs and commentary from Mike Pilavachi and Andy Croft Top it up with prayer, good friends, supportive youth leaders - and you'll be well on the way to understanding the Scriptures and forming good Bible reading habits for life.

This book is written for beginners who want to use MSC Nastran while learning the finite element method. It shows how to use Patran/MSC Nastran software to analyze different classes of solid mechanics problems, step-by-step, so that readers can follow and understand them easily. The book is suitable for designers and engineers to analyze solid mechanics problems by Nastran, apart from students and faculties.
