This Book has comprehensive General Knowledge about Madhya Pradesh for the Candidates of Carious Competitive Exams.

Defragmenting India is an account of the various fault lines of Indian society quivering in the temblors that the 2002 Hindu-Muslim communal riots of Gujarat sent across the nation. The riots form the dramatic backdrop to the travelogue narrative of a motorbike trip of the author and his friend. The book maps the urban consciousness of India by juxtaposing lives, issues and situations of educated and the uneducated, craftsman and conservationist, teacher and businessman, daughters and drunks from small towns and non-metro cities of India. The narrative uses oral history, folklore, local legends, historical events, research papers, imaginative speculations, biographic anecdotes and graphic reportage in an elliptical and poetic narrative to weave a picture of a country in flux.

This book unravels the institutions surrounding witchcraft in the central Indian state of Chhattisgarh through theoretical and empirical research on witchcraft, violence and modernity in contemporary times. The author pieces together ' fragments ' of stories gathered utilising ethnographic methods to examine the meanings associated with witches and witchcraft, and how they connect with social relations, gender, notions of agency, law, media and the state. The volume uses the metaphor of the shattered urn to tell the story of the accusations, punishment, rescue and the aftermath of the events of the trial of women accused of being witches. It situates the onh or witch as a key elaborating symbol that orders behaviour to determine who the socially included and excluded are in communities. Through the personal interviews and other ethnographic methods conducted over the course of many years, the author delves into the stories and practices related to witchcraft, its relations with modernity, and the relationship between violence and ideological norms in society. Insightful and detailed, this book will be of great interest to academics and researchers of anthropology, development studies, sociology, history, violence, gender studies, tribal studies and psychology. It will also be useful for readers in both historic and contemporary witchcraft practices as well as policy makers.

Covering all aspects of Hinduism, this encyclopedia includes more ethnographic and contemporary material in contrast to the exclusively textual and historical approach of earlier works.

The present book 'Himachal Pradesh - General Knowledge' has been specially published for the people who want to explore more about the beautiful state of Himachal Pradesh to quench their thirst of knowledge for the purpose of Competitive Exams, Business Opportunities, Travel & Tourism or any other reason.
