This publication outlines the aims of the national plan for music education and how it will affect schools, LAs and private music teachers. The plan will extend to 2020. The plan will extend to 2020.

The importance of music: a national plan for music education

Kantor says that it ' s important to remember that education is expensive, so it ' s a good idea to get started as early as possible and save as much as possible. At a minimum, you should aim to have saved up one year of your child ' s school fees before they start school so that you can pay upfront for the year and benefit from the discount that almost all schools offer for early payment.

What ' s the best way to save for education? | Life

Wealth creation is also associated with a person ' s socio-economic and family background, and other factors such as their lifestyle choices and financial literacy. Figure 1. Median asset wealth of 30-64 year-olds, by educational attainment, 2015-16.

Wealth | Department of Education, Skills and Employment

Secondary education is thus regarded as a passport for higher education. Hence the main defect of secondary education is its aimlessness. Secondary education must have definite aims related to practical life and the secondary schools should try to realise those aims in every possible manner.
