There are not many books in India that can serve as a useful textbook to the students and guides to the practising journalist. It is this lacuna that M.V. Kamath, one of the most prominent Indian Journalists, has tried to fill. This is a book on Indian journalism for Indian journalists, citing examples of Indian writers, Kamath quotes profusely from the writings of Indian editors to illustrate his ideas which considerably adds to the relevance of his work.

No other book on journalism has dealt with some of the themes discussed in his present work, such as house journals, development journalism, economic reporting and science reporting. There are separate chapters on radio and television writing and copywriting, as well as on law and the reporter.

M.V. Kamath, with four decades of rich and varied experiences, has traveled the world with an eye for people and a nose for news. He has met an amazingly wide range of characters from all walks of life from royalty to Nobel laureates, from film and theatre personalities to statesmen and politicians. His meetings have resulted in this collection of anecdotes some sad, some outright funny, and some simply staid. His writing in no way borders on gossip, but rather delves into the humanity of each subject. Journalism opened up vast avenues for M.V. Kamath. He lived a life of pleasant surprises, wondering what the next day held for him. The short pieces in this book are a minute collection of material that would probably fill up 10 such books. However, this collection powerfully conveys his experiences of pain and joy that run through all his encounters. He views both these universal experiences as ephemeral. This fleeting aspect of life binds each anecdote to the other, thus elevating story-telling to a fine art, that doesn't sound forced or acquired, and comes straight from the heart.

Articles on the history and activities of Canara Bank of India.

The Part II of the Press Commission Report contains a broad but concise survey of the development of the English and the Indian languages Press in India. It brings out the historical tendencies in so far as they affect the then state of the Press in the country, and serves as a background to the Press Commission enquiry.

Sai Baba of Shirdi is a phenomenon. In all of India s history, there has never been another like him. He is no conventional saint, he wrote no critique of any holy work, made no ashram or peetham, yet he had profound insight into both Hindu and Islamic scriptures. He performed miracles but in no manner or means to impress anyone, devotees or otherwise. Sai Baba in every way remains unique. He came in his late twenties to Shirdi, an insignificant Hamlet in Ahmednagar District where he spent fifty years of his remaining life. Shirdi is no longer an obscure village. Today it is a centre of pilgrimage for lakhs of Sai Baba s devotees. This book translated into Hindi is a complete account of his life and mission.Hindi Rs. 95 / Telugu Rs. 125
