Digital Cable Modem

So, I bought this RCA DCM425 Digital Cable Modem because it was exactly the same model as the one that Time Warner Cable leased me. It was not a modem on the list of Time Warner's recommendations (which cost $70 or more), but I figured if it is the same model (costing less), I should be able to switch it out. Well, when I switched it, the modem I bought would not connect to the internet no matter how I restarted the modem, my computer and router.

This book offers solutions to anyone who has felt victimized, ostracized or left behind by life. Surprising as it may sound, many people take comfort in their own misery. Feeling too good for too long (or even feeling good at all) can be scary for people, explains Anne Katherine. "Achievement creates anxiety. Intimacy leads to fear. Happiness produces uneasiness. Pleasure causes pain. The solution to this dilemma: what feels good has to be stopped. I call this an addiction to misery." Katherine's fascination and perspective book provides immediate assistance to those people who think they might be making choices that keep them at a "carefully calibrated level of existence--beneath bliss and above despair."

First in the Edgar Award–winning series "that never disappoints," featuring the forensic anthropologist known as the Skeleton Detective (The Philadelphia Inquirer). When anthropology professor Gideon Oliver is offered a teaching fellowship at US military bases in Germany, Sicily, Spain, and Holland, he wastes no time accepting. Stimulating courses to teach, a decent stipend, all expenses paid, plenty of interesting European travel . . . What's not to like? It does not take him long to find out. On his first night, he is forced to fend off two desperate, black?clad men who have invaded his Heidelberg hotel room with intent to kill. And then there are a few trivial details that the recruiting agency forgot to mention—such as the fact that the two previous holders of the fellowship both met with mysterious ends. From there, it is all downhill. Gideon finds himself the target in an unfamiliar game for which no one has bothered to give him the rules. What he does have is his own considerable intellect and his remarkable forensic skills. He will need them, for he is playing for some fairly high stakes: the security of Western Europe. Fellowship of Fear is the 1st book in the Gideon Oliver Mysteries, but you may enjoy reading the series in any order.

In this stunning, imaginative novel, Eve Marie Mont transports her modern-day heroine into the life of Jane Eyre to create a mesmerizing story of love, longing, and finding your place in the world. . . . Emma Townsend has always believed in stories--the ones she reads voraciously, and the ones she creates. Perhaps it's because she feels like an outsider at her exclusive prep school, or because her stepmother doesn't come close to filling the void left by her mother's death. And her only romantic prospect--apart from a crush on her English teacher--is Gray Newman, a long-time friend who just adds to Emma's confusion. But escape soon arrives in an old leather-bound copy of Jane Eyre. . . . Reading of Jane's isolation sparks a deep sense of kinship. Then fate takes things a leap further when a lightning storm catapults Emma right into Jane's body and her nineteenth-century world. As governess at Thornfield, Emma has a sense of belonging she's never known--and an attraction to the brooding Mr. Rochester. Now, moving between her two realities and uncovering secrets in both, Emma must decide whether her destiny lies in the pages of Jane's story, or in the unwritten chapters of her own. . . . "Captivating and heartrending. . . . Definitely one for the favorites shelf."--Kelly Creagh, author of Nevermore "A rich, wonderful, smart adventure, steeped in romance. I fell into this book in the same way Emma falls into Jane Eyre and I didn't want to fall back out again." --Lesley Livingston, author of Once Every Never and the Wondrous Strange trilogy Eve Marie Mont lives with her husband, Ken, and her shelter dog, Maggie, in suburban Philadelphia, where she teaches high school English and creative writing. Her debut women's fiction novel, Free to a Good Home, was published by Berkley Books in 2010.

A story about a wounded girl and the boy who won't give up on her. 7th grader Louise should be the captain of her school's gymnastics team - but she isn't. She's fun and cute and should have lots of friends - but she doesn't. And there's a dreamy boy who has a crush on her - but somehow they never connect. Louise has everything going for her - so what is it that's holding her back? Phoebe Stone tells the winning story of the spring when 7th grader Louise Terrace wakes up, finds the courage to confront the painful family secret she's hiding from - and finally get the boy.

As a final exam preparation tool, the CCNP Security IPS 642-627 Quick Reference provides a concise review of all objectives on the new CCNP Security IPS exam (642-627). This eBook provides you with detailed, graphical-based information, highlighting only the key topics in cram-style format. With this document as your guide, you will review topics on reducing risk to the IT infrastructure and applications using Cisco IPS features and providing detailed operations support for the Cisco IPS. This fact-filled Quick Reference allows you to get all-important information at a glance, helping you to focus your study on areas of weakness and to enhance memory retention of essential exam concepts.

Follows the wild path of Tomato Rodríguez as she makes her way across the country via motorcycle in an effort to visit as many post offices as possible

With exclusive access to Strummer's friends, relatives, and fellow musicians, music journalist Chris Salewicz penetrates the soul of an rock 'n roll icon. The Clash was--and still is--one of the most important groups of the late 1970s and early 1980s. Indebted to rockabilly, reggae, Memphis soul, cowboy justice, and '60s protest, the overtly political band railed against war, racism, and a dead-end economy, and in the process imparted a conscience to punk. Their eponymous first record and London Calling still rank in Rolling Stone's top-ten best albums of all time, and in 2003 they were officially inducted into the Rock and Roll Hall of Fame. Joe Strummer was the Clash's front man, a rock-and-roll hero seen by many as the personification of outlaw integrity and street cool. The political heart of the Clash, Strummer synthesized gritty toughness and poetic sensitivity in a manner that still resonates with listeners, and his untimely death in December 2002 shook the world, further solidifying his iconic status. Salewicz was a friend to Strummer for close to three decades and has covered the Clash's career and the entire punk movement from its inception. He uses his vantage point to write Redemption Song, the definitive biography of Strummer, charting his enormous worldwide success, his bleak years in the wilderness after the Clash's bitter breakup, and his triumphant return to stardom at the end of his life. Salewicz argues for Strummer's place in a long line of protest singers that includes Woody Guthrie, John Lennon, and Bob Marley, and examines by turns Strummer's and punk's ongoing cultural influence.

The Punctuation Guide & Workbook is a straightforward, jargon-free, step-by-step guide to understanding punctuation so you can improve your confidence in using it correctly, and therefore, improve your writing. grammar and even spelling (especially those pesky apostrophes!). The Punctuation Guide & Workbook explains the basic usage of apostrophes, hyphens, terminating marks, questions tags, commas and colons, etc. and gives sentence examples, and then exercises for you to really get to grips with punctuation. It's an easy-to-follow guide including: *Why punctuation is important. *The choices writers can make with punctuation, and how it can change the meaning of sentences. *The names of punctuation marks and their purpose. *How to improve your formal, business or academic writing. *How developing your own understanding of punctuation can improve writing skills, spelling and grammar. It's suitable for British and American English users. There are a few differences that are important to know about and helps stop potential confusion and puzzlement.Using punctuation correctly is vital for getting your message across. It not only helps others to understand you, it also adds complexity and rhythm to your writing. Understanding how to use punctuation helps your spelling and grammar too. English punctuation is always evolving, which means experts often disagree about the correct way to punctuate! So this book has brought you the latest from the best authorities on punctuation.

Some of us fear moments when we need to defend our theology. Some of us seek them out. But we are seldom ready the way Jesus seemed to be ready. So how do we draw others to God in the midst of these ordinary conversations the way Jesus did? In Speaking of Jesus, Carl Medearis draws on his experience of international reconciliation between Muslims and Christians to remind us of the heart of the matter: Jesus. Here he gives us tools, stories, and the foundation we need to move beyond "us" and "them" and simply talk about the One who changes it all. As Carl writes, "While others are explaining and defending various isms and ologies we're simply pointing people to our friend. The one who uncovers and disarms. Who leads people right to himself. The beginning and the end of the story. A good story indeed."
