Because it would have been impolitic to openly criticize the Siamese king, the murals depict the story of Gaddhana, a boy who goes in search of his father, the god Indra. "The message that viewers were reading off the walls," Wyatt concludes, "was from a cautionary tale of persistence through adversity, in a world suffused with evil in which virtue was rewarded eventually" (p. 21).

expression in Thailand for centuries. In this lively, slim volume, historian David Wyatt takes a peek behind the scenes to investigate the wider meanings hidden within the beautiful, elaborately painted images that adorn Thai temples. Wyatt shows how a sensitive reading of these "texts" from the past can reveal fascinating new insights into the psyche and history of Thai communities.

### Reading Thai Murals

Despite its rather misleading title, this book is neither an introduction nor a guide to reading Thai temple murals; nor is it art history or criticism. Written in plain language that is essentially jargon-free, this slim volume of 80 pages is quite accessible and reflects Wyatt's view that the Wat Phumin murals can be "read" as evidence of the past.

murals in Thailand are at Wat Phumin in Nan in the North. This is a quick look at the history and at some of the enticing scenes that can be found there, taken on our visit to Nan in January of 2014. The temple murals were one of the features of Northern Thailand temples that most intrigued me when we visited there this past January.

The picture to the right shows how entire walls are completely covered with murals. These murals were painted beginning in 1894 by a Thai Lue artist named Thit Buaphan, who was well known for painting the murals at Wat Nong Bua (also in Nan Province). He had many assistants and the work continued into the 20th century.
