Overview The UK will no longer operate under the European Economic Area (EEA) regulations for the cross-border trade in services from 1 January 2021. This means that the rights and protections...

Selling services to the EU, Switzerland, Norway, Iceland...

Regulation can be a critical barrier to services trade – whether it is too much, too little, discriminatory or otherwise trade-unfriendly. While the AICFTA Agreement will no doubt reiterate a right to regulate, member countries should focus less on this right, and more on the ability and capacity to implement and enforce regulation that enables safe and efficient services sectors to develop on the continent.

Trade in services and the AICFTA: No service is an island...

General Agreement on Trade in Services The WTO's General Agreement on Trade in Services (GATS) entered into force in 1995. It remains the only set of multilateral rules covering international trade in services. The Agreement reflects the gradual transfer of responsibility for many services from government-owned suppliers to the private sector and
