Unlike any book you've ever read, Mentored by a Millionaire is made up of fifteen mentoring sessions in which you will be mentored in the strategies, skills, and techniques used by super achievers who have become the world's most successful men and women. You will be mentored in these sessions by Steve Scott, a man who has not only made millions himself, but has helped dozens of others make millions as well.

Learn how recognizing your biggest weakness can unleash your greatest strength in THE FLIP SIDE, the bestselling motivational guide by educator, business coach, and growth guru Flip Flippen. Flip Flippen is the most influential man you've never heard of. This personable Texan is the founder of The Flippen Group, one of the fastest-growing corporate and personal training companies in America, and his philosophy has touched the lives of some of the most powerful individuals in the country--from Wall Street leaders to top sports figures like Terry Bradshaw and his NASCAR team, and from Joel Osteen's team at Lakewood Church to the 150,000 people who trained with Flip's company in 2005. Great advice for everyone, but particularly appealing to those who are taking stock of what they want to do with the rest of their lives, Flippen's approach is surprisingly simple. When we learn how to identify our "personal constraints" and take the necessary steps to correct self-limiting behaviors, we will experience a dramatic surge in productivity, achieve things we have only dreamed of, and find greater happiness overall. Flippen has created a simple process to help readers find their greatest constraint (the results may be surprising!) and build a plan to help "flip" that weakness into a newfound strength.
