“This second entry in Nalini Singh’s Rock Kiss series is a completely delightful experience in audio. While both the hero and heroine have major issues from the past, this is my “favorite funny” romance of 2015. Ms. Singh deftly intertwines the true grief and trauma experienced by the characters with sparkling wit.

Rock Courtship is a novella of Nalini Singh's Rock Kiss series but will work perfectly well as a standalone although I can recommend reading the first book, Rock Addiction. This one actually felt more like a novel than a novella – it's definitely got the feel of a full-length love story as go on a journey with David and Thea.
