This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Let your children start their Christmas celebration early with this fun and challenging Mermaid and Unicorn coloring activity book for Kids! Fun Mermaid Unicorncoloring pages. Book is printed on 8.5" x 11" pages with: An ideal holiday gift for kids.

She's a focused career woman who wants to save her corporate job. He's a single dad who wants to open a dude ranch. Can they compromise?Business executive Anna Delaney might lose her billionaire-dollar company. On the brink of professional catastrophe, she turns to her boyfriend, Dutch, a handsome contractor who puts family first. But that's just the problem: he couldn't care less about the rat race.Dutch McCree is ready for a change of scenery. When he gets the chance to put an offer on an guest ranch in his girlfriend's home town of Maplewood, he thinks Anna will love the wild surprise. But she doesn't. Anna's small-town days are over, and she can't understand why he wants to bale hay all day.Then, a family surprise brings Anna back to Maplewood, and she begins to see a different side to living on the mountain. But is it too late? Did Dutch and Anna miss their chance to build a small-town business--and family--together? Order this sweet, short, cowboy romance today.*Readers will most enjoy The Cowboy's Mountain Bride if they read Return to Maplewood first; however, each of the Maplewood books is framed as a standalone story.

Moby-Dick is the story of Captain Ahab's quest to avenge the whale that 'reaped' his leg. The quest is an obsession and the novel is a diabolical study of how a man becomes a fanatic. But it is also a hymn to democracy. Bent as the crew is on Ahab's appalling crusade, it is equally the image of a co-operative community at work: all hands dependent on all hands, each individual responsible for the security of each.

The idea, like so many of massive effect and modest intention, came in an instant. The fact that it involved an anachronistic actor of unique swagger and fortitude as well as one of the world's most recognized yet private persons, a woman of English elegance and California beauty, surely inspired the madness that would follow in its wake and set fire to a lumpen nation with a fetish for celebrity, sex and scandal. And so it began with an idea that was actuated with a photograph and abetted by technology, dispirit accomplices, clandestine maneuverings, exquisite branding, and an epic humiliation that would leave a large portion of America burning and the whole country choking on its own foul dust. And so it began...

A must-have for botanical art enthusiasts and Maria Sibylla Merian fans, this gorgeous collection of frameable reproductions is blooming with color and meticulous detail. More than three centuries after Maria Sibylla Merian established herself as a scientific trailblazer--and after more than two centuries of obscurity--the work of this pioneering naturalist and artist is being rediscovered. Merian's work, The New Book of Flowers, raised the artistic standards of natural history illustration. Published in 1675, the book employed impeccable botanic accuracy with artistic expression. In it, Merian moved away from traditional methods that favored single illustrations and instead composed her studies to explore the relationships between flowers and insects. This poster book draws its nearly two dozen illustrations from The New Book of Flowers. Exquisitely reproduced, each illustration reveals the exacting detail and luminous colors that are the hallmark of Merian's work. Perfect for close study as well as decoration, this treasury of botanical delight will help brighten any room--and inspire anyone drawn to the beautiful world of flowers.
