## Online Summarizing Tool & Article Summarizer | Scholarcy

When your professor assigns a research paper, she might tell you “only use scholarly sources.” (If she doesn’t, she just expects you to already know this.) For any college level research paper, the only sources you should use are academic or scholarly sources – sources written by scholars (people with academic training and research in a specific field), for scholarly purposes (not popular consumption).

The best academic research databases [2019 update] - Paperpile

This is a list of scholarly publishing "sting operations" such as the Sokal affair. These are nonsense papers that were accepted by an academic journal or academic conference; the list does not include cases of scientific misconduct. The intent of such publications is typically to expose shortcomings in a journal's peer review process or to criticize the standards of pay-to-publish journals.
