NOVEL PRIZE "A book that

this book is remarkable.”

—David Sedaris From "a
formidably gifted writer"
(The New York Times Book
Review), a book that asks:
Is there life after the
internet? As this urgent,
genre-defying book opens, a

Where To Download Second To No One Kindle

Edition Keysha
woman who has recently been elevated to prominence for her social media posts travels around the world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms

Where To Download Second To No One Kindle

"the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise

Where To Download Second To No One Kindle

of an unnamed dictator and
an epidemic of
loneliness--begin to loom,
she posts her way deeper
into the portal's void. An
avalanche of images,
details, and references
accumulate to form a

Where To Download Second To No One Kindle

landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her

Where To Download Second To No One Kindle

mother pierce the fray:

"Something has gone wrong,"
and "How soon can you get
here?" As real life and its
stakes collide with the
increasingly absurd antics
of the portal, the woman
confronts a world that seems

Where To Download Second To No One Kindle

to contain both an abundance of proof that there is goodness, empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, No One Is Talking

Where To Download Second To No One Kindle

About This is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.
