Two women face each other at a small table at the back of a
café in Berkeley. A hot autumn sun pulses through the glass.
One of the women, sturdy in a chambray shirt and large
glasses, shakes her head with a false smile: “ Then I just lost
it. ” Her friend, a slightly older 60-something in running
shoes, her lean left knee tucked below her chin, nods in
understanding.

The first secret about body language is that much of our body language is about getting sex -- or defending against it. In spite of all the social pressure to hide and suppress our natural urges, our real desires are still often revealed in our unconscious body language. Interestingly, this drive to reproduce is handled differently in men and women.

Flirting Body Language Secrets tutorial reveals more. The Secret is a 2006 self-help book by Rhonda Byrne, based on the earlier film of the same name. It is based on the belief of the law of attraction, which claims that thoughts can change a person's life directly. The book has sold 30 million copies worldwide and has been translated into 50 languages.
