Following a normally shy teacher who ascends a mysterious and mythic tower in search of his missing wife, Senlin Ascends brings both the intrigue and the magic to the table. Senlin Ascends follows schoolmaster Thomas Senlin as he looks for his wife, lost on a vacation to the Tower. As he attempts to look for her up the first six levels of the tower, he meets a large array of strange characters and perhaps learns a little courage and determination, along the way.

Senlin Ascends (The Books of Babel, #1) by Josiah Bancroft

Senlin Ascends is the first novel in a trilogy called The Books of Babel, followed by Arm of the Sphinx (out now) and The Hod King (working title, due next year). This is fantasy, but not quite as you may know it. It's a steampunk romance with airships and sky-pirates. It's a character-focused slice of the New Weird.
