Lexus is a division of Toyota, which produces luxury models for the US and European markets (naturally, with the left rudder). The very word lexus in its sound is similar to the word "lux". It is this word and its derivatives - "luxury", "luxury car" and so on - describes the entire history of the company. This is not surprising, because the original purpose of creating the company Lexus and ...

A Lexus service manual will give owners the confidence to make basic repairs or perform major overhauls. The first Lexus car introduced to the United States was the Lexus LS. It featured a modern, luxury look and ample power from a 4.0L V8. The new brand was well received and sold nearly 43,000 cars it's first year on the market.
